Consent Agreement for Mutual Aid Peace Officers Powers

Pursuant to the provisions enumerated in RCW 10.93.070(1), the City of Everett Police Department desires to take full advantage of the Washington Mutual Aid Peace Officers Powers Act and provide general authority to the City of Mukilteo Police Department to enforce the traffic and criminal laws of this state, and the criminal codes and infractions of the City of Everett.

Now, therefore, the parties agree as follows:

1. Pursuant to the provisions of RCW 10.93.070(1), written consent is hereby given by the City of Everett Chief of Police to all general authority Washington peace officers (as defined in RCW 10.93.010(3)) employed by the City of Mukilteo, to enforce traffic and criminal laws of the State of Washington, and to enforce all criminal and infraction codes of the City of Everett, within the territorial jurisdiction of the City of Everett.
2. The circumstances surrounding any actual exercise of peace officer authority pursuant to this agreement and RCW 10.93 shall be timely reported after the fact, to the Everett Police Department, and shall be subject to any reasonable reporting procedure which may be established by the two law enforcement agencies.
3. Any liability or claim of liability which arises out of the exercise or alleged exercise of authority by an officer acting within the course and scope of the officer's duties as a peace officer under this Agreement and Chapter 10.93 RCW is the responsibility of the primary commissioning agency as defined in RCW 10.93.020(8) (the Mukilteo Police Department), unless the officer acts under the direction and control of another agency.
4. This consent agreement can be revoked by either party on three-days written notice. It can be amended by mutual agreement of the parties. This agreement remains in effect for so long as both signatories remain chiefs of their respective law enforcement agencies.

Consent granted this 20TH day of November, 2017.
